Heritage Grove Middle School will be holding our annual Halloween Fair sponsored by National Junior Honor Society. The fair promises family friendly events as we welcome parents and students from Eagle Point, Lakewood Falls, and Freedom elementary school communities to our building.

What can you expect to see at the Halloween Fair?

Trick or Treat Stations: We have decorated two hallways and set up mini trick or treat experiences for you and your child.

Craft Table: With the help of an NJHS student, guests will prepare and decorate their trick-or-treat bags. Additional Halloween themed crafts have been added this year!

Game Stations: Come play fun Halloween themed games in our gymnasiums. Games will range from ring toss to Halloween “Pumpkin” Bowling.

Photo booth: Have your child’s picture taken in front of a themed set designed by our NJHS students. Be sure to bring your own camera!

Face painting/Tattoos: Have your child’s face painted by our Art teacher Mrs. Hughes, and her top art students, or have your child tattooed with temporary, Halloween themed tattoos.

PTO Concessions: Our PTO will be selling all sorts of sweets and treats including, but not limited to: pizza, popcorn, pop, Gatorade, salty snacks, and cookies!

We hope to see you there!
