

# Naughton's Fun Run for Your Sunday, May 20<sup>th</sup> at 9:00 AM

*"My name is Alec Naughton, a former student of Heritage Grove and a competitive runner. Along with my family and former teachers, we have decided to hold a fundraiser for the American Heart Association. We are making this possible by holding a "fun run" for the students at Heritage Grove and their families. The reason I decided to do this is because I have a heart condition myself, a bicuspid aortic valve with an enlarged ascending aorta, to be exact. This has had an influence on my life in ways that most cannot relate. Therefore, I want to help those who have to experience the same problem as me and often times worse heart conditions." - Alec Naughton*
