

Green Machine

Marching Band

All seven Plainfield middle schools are joining forces to create the GREEN MACHINE MARCHING BAND. This group will be a voluntary extra-curricular marching band whose members will perform in the 2019 Plainfield Homecoming Parade! It will be an amazing sight to see a large band of students from all of our schools marching down the street together!

Important Note: The Green Machine Marching Band will be the only marching band opportunity for our students this coming fall.

Band students entering 7th or 8th grade at any of the schools are eligible to become members of this group... auditions are not required. We will need all instruments (exception: oboes/bassoons) as well as flags (color guard). Oboe and Bassoon players are welcome to play another instrument (experience on that instrument is recommended), join percussion, or color guard.

Please see the attached schedule of rehearsals as all dates are required. Conflicts with evening rehearsals are something we deal with from time to time, but if there is a conflict every week, marching band may not be an option this year.

All current 7th and 8th grade students participating in marching band should return this form by Tuesday, August 20th
