

Good morning, Heritage Grove Middle School Parents/Guardians,

Parent-teacher collaboration is vital to the success of your child's education, and we encourage communication to be ongoing throughout the course of the school year. Parent-Teacher Conferences provide the opportunity to discuss your student's progress, strengths, and struggles.

Fall conferences are scheduled for November 1st from 3 PM to 8 PM and November 2nd from 8 AM to 1 PM. Parents will have the ability to select which teachers they would like to meet with by subject area. This year PSD202 is offering both in-person and remote conferences to help meet different needs. Students are encouraged to attend with the parent(s). Below is the breakdown of our schedule.

Monday, November 1

- 3:00 pm to 5:00 pm - Remote Conferences via Google Meets
- 5:30 pm to 8:00 pm – In-Person Conferences @ HGMS

Tuesday, November 2

- 8:00 am to 10:30 am - In Person Conferences @ HGMS
- 11:00 am to 1:00 pm - Remote Conferences via Google Meets

To have scheduling for all teachers located in one place, will be using the website PTCFast.com to make conference scheduling as easy as possible for parents. Please enter the following web address into your browser or click the link below:

https://www.ptcfast.com/schools/Heritage_Grove_Middle_School_3

A list of teachers at Heritage Grove sorted by grade will appear. Each name is followed by the subjects they teach. You will begin by selecting one (or more) teachers you wish to schedule a conference with. Follow directions as instructed on the screen. send you a confirmation email with a link to choose appointment times. On that same page, you will then be able to add additional conferences, change your registration, or change/add additional appointments. You will have to repeat the process for each student if you have more than one child at HG.

*Please note that PTCFast website does not indicate if a conference is remote or in-person. Parents should use the above schedule to assume the type of conference based on the time selected. If choosing a remote conference, individual teachers will send the Google Meets link via email prior to November 1.

We recognize there are limited time slots available for our staff compared to the number of students. Know that all parents are welcome to sign up for conferences, but if your student continues to have timely work completion and earn As and Bs on assignments and assessments without major struggles at home or here at school, it is not imperative that you schedule a conference. If you have been contacted by any of your student's teachers and/or your student continues to struggle academically, behaviorally, or socially, we welcome this opportunity to work together to help your student find success at Heritage Grove Middle School. Also, please remember that parents and/or administrators are available throughout the year as concerns or questions arise.

We have an amazing school community. Thank you for your understanding and continued support.
